

## Digital Media Solutions

### Point Blank Media Group

PBMG produces multi-stream digital media solutions: a diverse range of creative services and media distribution channels, that provide clients with fast, efficient and unique ways to reach specific target markets. Through strategic planning and energetic teamwork, PBMG delivers a host of high-quality online and offline digital media solutions for corporate and commercial clients nationally and around the World.

### Online Services

Electronic media solutions, primarily interactive communications, delivered across corporate networks:

- \* Corporate Television Systems
- \* Web Development
- \* Web Streaming
- \* Interactive CDs
- \* Video & Animation
- \* AV Edit Suites

### Offline Services

Traditional media solutions for wider market reach, including print-based communications and public relations management:

- \* Corporate Identity
- \* Brand Management
- \* Scriptwriting & Copywriting
- \* Print Design & Production
- \* PR Management
- \* Corporate Merchandise
